## ACHIEVEMENTS AND OTHER NOTABLES.

High School

- During my time in high school. I graduated with honors. I had an overall 3.6 GPA and graduated as a member of the National Honor Society. I was also in my high school's award-winning journalism program called The Red and Black. Within that, I graduated as a member of Quill and Scroll which was the national honor society of high school journalism. High School had challenges, especially as a student during the COVID pandemic. I succeeded in these challenges because of my discipline to be the best at what I do. I am never afraid to go past and broaden my boundaries. In June of 2022, I was a foreign exchange student in Schelwig-Holstein, Germany. I hosted my exchange brother in America as well. I also had approximately 50 community service hours (For my town, school, NHS, and Journalism). I did my best to be an overachieving student in High School. While also managing part-time jobs at that time.

The Boy Scouts of America

- I am an Eagle Scout. During my eight years involved in the Boy Scouts. I was a leader and someone who kept his scout's honor and followed the scout oath and law. Within the Scouting program, I was in two honor societies. The National Order of the Arrow Honor Society. I was a Brotherhood in that program, one of the highest ranks. I was also a member of the local (Kansas and Missouri) honor societies. Which was called Mic-O-Say. Within that program, I was a Tom-Tom Beater. I was a member of the Camp Staff. I led my scout troop as its Senior Patrol

Leader for 2 terms which overall lasted one year. I also managed all troop equipment as the Troop Quartermaster for 4 terms which overall lasted 2 years. I was very active in this program. I also had approximately 50 community service hours (for my town, churches, and nature). My Eagle Scout Project was building two tables for my church. I am crafty and resourceful.

#### College

- At Austin Peay State University, I currently have a 3.6 GPA. I do my best to participate in events and community service to be an active community member. I am also an ROTC student as I explore my path for my potential future after college. I am studying marketing as my major within the College of Business. I did a study abroad trip to England, I was in a management course at Harlaxton College in Harlaxton, England. I am going into my Sophomore year of college.
